

IN THE SPECIFICATION:

Revise paragraph [0009] to read as follows:

[0009] For a better understanding of the present invention, explanations are made to the drawings wherein:

Fig. 1 is a schematic view showing one process of a method of manufacturing ceramic bodies according to the invention;

Figs. 2a and 2b are schematic views respectively illustrating another process of the method of manufacturing the ceramic bodies according to the invention;

Figs. 3a and 3b are schematic views respectively depicting still another process of the method of manufacturing the ceramic bodies according to the invention;

Figs. 4a - 4c are schematic views respectively showing still another process of the method of manufacturing the ceramic bodies according to the invention; and

Figs. 5a - 5c are schematic views for explaining one embodiment of the known method of manufacturing the ceramic bodies;

Fig. 6 is a schematic view of a laser being used to make holes for cells; and

Serial No. 10/084,658

Fig. 7 is a schematic view of a pinholder having
needles being used to make holes for cells.
